"We have found **Music for Dreaming** a most useful tool in Family Centre work.

The music has a calming effect on most babies and children. It is fascinating to watch a restless, crying baby settle to the music."

Evelyn Tritschler, Murse - Plunket, Christchurch, New Zealand

"As we have to be quite selective in what music we use, it is reassuring to know that Music for Dreaming is backed up by respected research." Neo-Natal Unit - Royal Children's Hospital, Melbourne Australia
